## WENDY FULL

This is my wife Wendy who'll fuck anywhere, any time.

These photos were taken after we'd just fucked like crazy in the ladies toilet at a friend's wedding reception.

We were on our way back to our room, when Wendy grabbed me by the arm and dragged me in the ladies.

I started to head for

the cubicle but she said, "No, fuck me here on the basin unit," and before I knew it my cock was out and she was wanking it stiff.

**She hitched her dress up and pulled her small black knickers to one side and demanded I fucked her there and then.**

I thrust inside her and as I was slamming away between her legs she pulled her tits out and made me pull her nipples with my teeth.

This sent her over the edge and within seconds she shouted, "I'm coming you bastard," then shuddered and came all over my cock.

After a few seconds she got down to her knees and started to suck and run her fingers over my balls.

**I told her I was about to cum so she squeezed her tits together and I showered them with spunk.**

We headed back to the

room and fucked till

early morning and took these pictures. She had to go commando the next day because her knickers were so wet.

I think she wishes someone had walked in on us so that they could have watched, because when we are fucking she always explodes when I talk about being caught.

I know what a lucky bastard I am and when we do anything similar Escort will be the first to know.

In the meantime have a wank on Wendy.  
Greg, Staffs.

## WHITE WEDDING

I hope you like the outfit I'm wearing in my pictures.

I wore it to a wedding recently out in the countryside. Me and my boyfriend rented a nearby cottage for the weekend and had a really good time.

The wedding was wonderful and the drinks went down very easily. I had a long floral dress on and wore the lacy basque underneath.

When no one was looking I gave my boyfriend a quick flash and he was gob smacked when he saw my shaven cunt.

He whisked me off outside to the garden and sat me on a garden table, and quickly licked my cunt while everyone was inside dancing.

"Now fuck me," I told him, so he turned me around and bent me over the table as he unzipped his flies.

**His prick was already rock solid and it slipped easily into my dripping pussy.**

I bucked back against him as he drove in hard and soon I was cumming all over his cock.

A bit later on one of my boyfriend's mates confessed to having seen us in the garden and jokingly told me to give him a shout next time.

I told my boyfriend what he had said and my boyfriend told me he'd seen him, but that this had only spurred him on to fuck me harder.

At the end of the night we took a taxi back to the cottage and my boyfriend grabbed hold of Nick and brought him with us.

I knew what he was planning and my pussy was wet at the prospect.

Once back at the cottage I stripped out of my floral dress in front of the boys and let them stroke and pamper me all over.

**My cunt was tingling with pleasure and the guys got their cocks out and started wanking.**

I turned my back on Nick and pushed my cunt into his face. Nick grabbed me by the arse and began tonguing my silky hole.

### Most wanted!

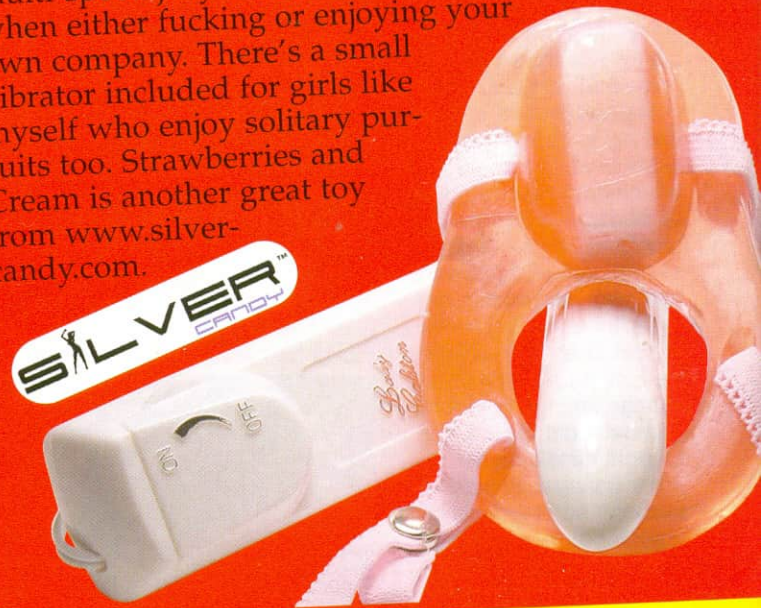

Come on! Someone this sexy and she's only given us the merest glimpse of gisp? There's something wrong with the world and we want her to put it right. So, we're imploring Jo (24) from Wilts to bin the skirt and show us a close up of her heavenly pussy. We'll even put her in touch with some rampant lesbians, which is what she really wants. "I'd love to have sex with another girl but I haven't found the right one yet. Can Escort help me out?" You help us Jo, we'll help you...

Ed's Secretary Julia Jones is winding down for Xmas. (We never realised you'd wound up — Ed). Here are her tast tips... on gifts for the festive season.

Sex toys just look odder and odder these days. Heavy sagging bags of fun for boys and girls alike; slip this multi-speed jelly vibrator over your cock and enjoy it when either fucking or enjoying your own company. There's a small vibrator included for girls like myself who enjoy solitary pursuits too. Strawberries and Cream is another great toy from [www.silvercandy.com](http://www.silvercandy.com).

### FINGER OF FUCK

No, Fingermouse hasn't been resurrected — this is the latest clever idea from those boffins at emotional bliss.com. Smaller, more discreet and less unwieldy than

## GOT DOUBLY PENETRATED!

**All her Christmases are rolled into one when her boyfriend gives her the best present ever – his mate's big thick cock!**

**NAME:** Janet **AGE:** 25  
**OCCUPATION:** Right tart!  
**FROM:** Wiltshire  
**PHOTOS:** By Gordon Genk

**A**ll my girlfriends seem to think I'm really lucky to have a boyfriend like Craig. He's really good looking, romantic, and a bit of a stallion in-between the sheets. He's also rough and ready – he's a mechanic and I love the smell of oil when he comes in from work.

Just recently we started talking about our sexual fantasies, and I told him that my wildest dream was to get well and truly fucked by two guys at once.

Rather than being shocked, Craig said he thought it was really horny, and actually wanted to give it a try!

One of his best mates is a really cute looking guy called Jed. He's 19, the same age as me, and a couple of years younger than my boyfriend Craig. The two of them are inseparable and work together at the same garage.

They both rent a small flat not far from where I live, and so I'd met Jed loads of

times whenever I'd stayed over.

One Saturday night when Craig and I got back from the pub I was surprised to find that music was playing and candles burning everywhere. I thought that Jed must have pulled (he's a bit of a mover with the birds), but was surprised that there wasn't a sign of him or a girl anywhere.

Craig opened a bottle of champagne and suggested I go straight

to bed. I smiled and gave him a good sloppy kiss on the lips, thinking I knew exactly what he had in mind.

**"Both were pumping their rods into me!"**

How wrong I was, and when I got into the bedroom I nearly died on the spot! For there, lying in our bed, wearing nothing but a big grin, was Jed!

Before I had chance to react Craig was behind me nibbling my neck and with a glass of champagne in each hand. "He's all yours darling," he whispered, and then backed away closing the door behind him.

OK, I admit, it wasn't exactly the worst situation I've ever found myself in, and Jed really is a very sexy-looking bloke. I think the booze and my hormones must have taken over at that point as I undressed slowly in front of him, pausing only for an

**"I wrapped my tongue round his sticky bell-end"**

occasional sip of shampoo.

When I pulled back the sheets I wasn't surprised to find that the poor boy had a raging hard on, and wrapping my tongue around his bell-end seemed like

enjoy it as I got on all fours in-between his legs with every intention of giving him the blowjob of his life.

Jed moaned, gripping the headboard behind him as my wet lips sucked up and down the length of his hard tool. I squeezed his balls and flicked my tongue up and down against that bit of skin that joins a man's foreskin to his shaft.

It always gets them, believe me, and sure enough Jed started pumping rhythmically into my mouth as I felt his balls tighten and the blood in his gorged cock pumping like crazy.

I knew that Craig wouldn't leave us alone for long, and that

was partly why I was on all fours with my bum stuck up in the air!

By this time I was really turned on and so I was quite relieved when the door opened and Craig walked in starkers with a huge erection. This was like having all my Christmases rolled into one, and I just couldn't believe how lucky I was to have my wildest fantasy come true!

The bed creaked as Craig climbed on behind me, and I thought I was going to die of pleasure when he grabbed both of my buttocks, spread me open, and sunk his hard cock deep inside my cunt. It was all I could do not to

**"He spread me open and sunk his cock in my cunt"**

bite Jed's knob, which by this time was pumping like a little piston in and out of my mouth. Just when I thought things couldn't get any better, I felt Craig's wet thumb rubbing around and around my bum hole. I held my breath and then gasped as he pushed it deeply into me right up to the knuckle!

My heart was beating like a drum inside my chest and by this time all three of us were moaning and groaning in time with each other. Both boys were pumping their cocks in and out of me really

the most natural thing in the world to do!

He groaned as I sucked his cock deeply into my mouth, and he grabbed handfuls of hair pushing me down onto his tool, fucking my head with his gorgeous veiny cock.

I love sucking dick, and I wanted Jed to know how happy I was to be sucking his. So I pulled his foreskin right back and licked his gorgeous knob all over like a lollipop! A very salty lollipop that was already dripping with lovely pre-cum!

I told him to lie back and

## BEACH CUMMERS

I'm so addicted to porno movies that I can't get enough of them.

All my friends think I'm mad. They say porn is

something made for men, but when I watch them I want to be that girl on the screen having all her holes filled every which way she can.

**The thought of sucking a bloke off while another is fucking me really gets me wet.**

So, whilst on holiday last year I was lying on a nice secluded beach naked with my boyfriend.

He started touching me all over, and soon his cock started getting hard.

Without a thought as to who might see I got to my knees and started sucking his cock down to his balls.

**What I really needed though was a nice thick cock, so I turned around and impaled myself on his dick when I heard someone wander up behind us.**

At first I was a little embarrassed but I was so turned on that I started fantasising about the guy joining in.

To my surprise my hubby said

**£120**  
**Lucy, Midlands**

"two's company, three's ecstasy" and called the guy over.

I noticed the bulge in his trousers right away so it was obvious he'd been getting a kick out of watching us.

Without even thinking about it I pulled down his trousers and started to suck on his big fat cock.

**Whist I was pleasuring this stranger, I felt my hubby tease my pussy lips apart and shove his dick back inside.**

The harder he fucked me the deeper I took this second cock into my throat.

I don't think I've ever been so wet in all my life and didn't think it could get

any better.

But then suddenly I felt more hands touching my body. I opened my eyes and saw there were two more willing participants.

They were all stood there rubbing my body whilst stroking their cocks ready for action. One of the guys came in from behind and slowly slipped his very hard cock up into my arse.

The other guy stood next to his friend and told me, "I'll have what he's having please".

Before I knew it, I had a cock in my cunt, one in my arse and two in my mouth. What more could a

girl want?

I was well and truly fucked every which way I could and couldn't wait for the grand finale.

I knew the guy up my arse was ready to shoot his load because he was getting faster and faster.

**I was screaming with pleasure when he pulled out his cock and sprayed my buttocks with filthy hot spunk until they were coated in cream.**

My hubby got up from beneath me so that he could join in with the two remaining guys and I

sucked each in turn until they were ready to cum.

**I leaned back, opened my mouth and closed my eyes and moaned as I felt each shoot jets of spunk all over my face and tits.**

I was dripping with cum by the end of it and it felt wonderful.

Later I found out that my hubby had planned the whole thing, and my only regret was that nobody filmed it.

Now that would've made a great holiday movie.

Hope you like our pictures and enjoyed reading our letter as much as we enjoyed doing it.

Lucy, Midlands.

Yes, this is Tia's cellar, but it's not wine she keeps down here. "I'm more of a lager top girl anyway," she says. "Down here I like to have the odd sex party. It's soundproofed so the neighbours can't complain about the noise. And believe me I scream the place down when I have a cock in my cunt and my arse at the same time!" So any chance of an invite? "It's well-endowed men and women only, I'm afraid," she grins. Darn.

## BACK DOOR WHORES

I'd like to share with you something that happened to my girlfriend a few years ago.

Jo was seeing this bloke called Dave, but she found out he was cheating on her.

Jo's not the sort of woman to take things lying down (if you'll pardon the pun) so she decided to get even with him.

Dave had been seeing

looked up from between Elaine's cunt and saw Jo standing there in the doorway.

Dave sprang up and ran from the room, leaving Jo and Elaine alone together.

Jo stripped off and got into bed with Elaine and when Dave returned he found the girls fooling around and playing with each other's tits.

It was the first time

each other as Dave watched.

**When Jo looked to one side she saw Dave wanking into her face like there was no tomorrow.**

She pulled him closer and ran her tongue all over his purple head before giving his cock a good hard suck.

Jo then placed Dave's cock at Elaine's sweet cunt and Dave thrust in as Jo sucked on his heavy, bloated balls.

Jo sucked and licked around Elaine's fleshy cunt as Dave fucked her hard, then the girls swapped positions and Dave drove into Jo as Elaine tongued her arsehole.

**Elaine pulled Dave's cock from Jo's cunt and positioned it against her puckered little ring.**

Jo had never been fucked in the arse before but she was so turned on that she was eager to try.

Dave eased his prick inside Jo's taut dark tunnel as she screamed into the pillow in bliss.

John soon arrived wondering what all the noise was and found Dave stuffing his prick in and out of Jo's arse as she ate out Elaine.

Not waiting for an invite he stripped off and dived straight in. He grabbed Elaine by the arse and buried his prick deep inside her.

**The two girls were fucked on the bed and one after the other the guys whipped their cocks out and doused their arseholes with cum.**

this girl called Elaine, though neither knew of the other's existence until they met through a mutual friend and got to talking.

That evening Dave was at his friend John's house, baby-sitting John's nephew. He'd told Elaine to come around and keep him company if she was free and she told him she'd turn up at 7pm.

Elaine told Jo, if she was interested in getting even with Dave, to drop by at 7.30pm and they'd spring a little surprise on him.

When Jo got to the house, John was downstairs watching the telly and Elaine and Dave were nowhere to be seen.

She went up to the bedroom and Dave was totally gobsmacked when he

either of them had been with another woman

though they made it look as though they were hardcore bi-girls.

Elaine moved down Jo's body, kissing and sucking her tits as she went, before slipping between her legs.

**She ran her tongue over Jo's swollen cunt and slipped a finger inside.**

Jo reared up as Elaine's sucking became more enthusiastic and she rubbed her silky pussy all over her new friend's face until her features glistened with cum.

Elaine was so turned on licking another woman's hole that soon her pussy demanded attention.

She turned around on the bed and lowered her cunt onto Jo's waiting mouth and the girls ate

hard, and it was such a great feeling to have one in my mouth and one in my pussy at the same time! I could have stayed like that forever, but I knew Jed was close to coming and I couldn't wait to have his sperm in my mouth.

I squeezed his balls tightly and I looked up to see him admiring the view of me sucking his cock and being fucked at the same time. Suddenly his eyes screwed shut and he moaned out loud as he filled my mouth full of his hot sticky sperm!

His orgasm lasted for ages and

he seemed to have so much cum I couldn't stop rivers of it dribbling out over my lips and down onto my tits. Wow, what a feeling!

**"I saw him admiring the view of me sucking his dick"**

When I'd pumped every last bit of juice out of Jed's cock I felt Craig grabbing my hips roughly and pushing himself really deeply into my wet hole. His balls were

banging against me and I knew that we were both very close to cumming. I buried my face in-between Jed's legs as I felt Craig's hot spunk flooding into my cunt hole, and I groaned deeply as I came all over Craig's cock with my mouth still full of jizz.

Right in the middle of my cumming I swallowed every last drop of Jed's spunk, and as I trembled in between his legs he stroked my hair gently.

We were all so horny we managed to keep going for most of the evening and we tried all sorts of different positions and variations.

One of the best bits was when I got into the doggy position on the bed and they both took it in turns to fuck me. But the highlight of the evening was when I lay on top of Jed with his cock deep inside me and Craig screwed me in the bot-

tom. The feeling of having two cocks pumping in and out in-between my legs at the same time was wild!

I was surprised that both the guys had enough spunk in them to keep going but I guess that's why I've been with Jed for a while. He goes like a train. I must have

drained both sets of balls totally dry. By the end of the night my stomach was full of spunk, and my face, tits and hair were drenched in beautiful sticky semen. I loved rubbing it into my throbbing body and have never been so turned on!

Since that first night we've done it again quite a few times, and now all me and Craig are waiting for is for Jed to get a nice girlfriend! Four in a bed is the next target!

## A SPOON FULL OF CUM

I had to write in and tell you about a recent horny experience.

I was sitting at home last Sunday with my boyfriend, Robbie, when his mate, Neville, came around to take him out for a drink.

They came home at closing time, a little worse for wear, and Robbie told me he'd bought some Viagra down the pub.

I dared him and Nev to take one each and ran upstairs to change into something sexy while the lads waited for the pills to kick in.

When I came back downstairs I felt my pussy moistening in anticipation.

I asked if they'd had any effect yet and the guys pulled out their stiff dicks and let me feel them up.

**They were wonderfully hard and I took hold of Nev's cock and wanked it into my mouth as Robbie filmed us with the video camera.**

I dropped back into a chair and spread my legs so that the guys could see that I was knickerless, then I began fingering my wet pussy.

"Who's going to lick me out?" I asked, and Nev dropped to his knees and ate my cunt out for a good ten minutes as Robbie filmed us.

"Come on you slut, fuck yourself and let us watch," Robbie said and handed me one of the vibrators I'd brought down with me.

I spread my legs as wide

as I could and rubbed the toy all over my clit before burying it deep inside my soaking pussy.

**I felt like a cheap porn slut at a sex show and I was loving every minute of it.**

The guys obviously couldn't stand it any longer because Nev pulled the vibrator out and replaced it with his cock.

He fucked me hard and fast for several seconds before remembering whose missus I was and making way for Robbie.

## CUNT-TRY KITCHEN

rassed." I confessed that I wasn't embarrassed, I was turned on!

**I then grabbed his hand and pushed it up my skirt and Dean fucked me all over the kitchen sink.**

The next morning, I woke up feeling very horny. Dean had gone to work and I lay

**M**y husband Dean arranged for a builder to come and quote for the new kitchen and I couldn't believe my eyes when I saw him – he was stunning.

After he left, Dean said, "You looked a bit flushed when Nick was about. It's not like you to get embar-

on the bed playing with my clit as I waited for Nick to arrive.

I dressed in a tiny T-shirt and mini skirt, with a little G-string on and no bra.

Nick arrived and started work. While he was on his back on the kitchen floor I stepped over him and looked down to see if he

was looking up.

**My legs were slightly apart so he could easily see the cheeks of my arse and my partly shaven fanny.**

I was so turned on and stepped over him again, this time spreading my legs even further apart.

I then bent over the washing basket to get the washing out and felt his hands on my bare arse. Nick told me he really wanted to fuck me, so I asked him what he was waiting for.

I took him up to the bedroom and lay on the bed. He took off my T-shirt and ran his tongue over my nipples and down towards my pussy.

I could feel myself getting wet as his hand was ran over my arse

and towards my cunt. I felt the tip of his finger on the edge of my cunt and began to quiver with excitement.

He pushed his finger into my fanny and fingered me whilst sucking on my clit, then he ran his tongue up and down my slot before slinking it inside.

**Dee, W. Mids**

**Robbie planted his dick between my legs and shagged me like a man possessed as Nev filmed us with one hand and wanked into my face with the other.**

**£90**

**Jane, W. Mids**

"I'm cumming," Nev suddenly shouted so I quickly closed my lips around his prick and gulped down a monster load of spunk as he pumped it into my mouth.

Robbie pulled out a few seconds later and told me to drink his too, and I compared the boys' flavours as he squirted his

load down my throat.

I've watched the video dozens of times and always get turned on by it, but now I'd like to make a movie with three very well-endowed guys – or possibly some women.

After all, I love pussy as much as I love cock.  
*Jane, W. Mids.*

As he sucked me my cunt he fingered my arse so that I came in his mouth within a matter of seconds.

**I decided it was my turn next, so I took him in between my lips and sucked on his cock until I tastes salty pre-cum.**

He pulled my arms behind my back and opened my legs again, this time though I was on all fours.

He got his cock and

pushed it into my cunt so that his balls were banging against my arse.

He fucked me until I was soaking wet and red raw and we were banging away until I felt his spunk spurt out inside my fanny.

When my hubby got home he took one look at the kitchen and said, "he hasn't done much, has he? Been drinking tea all day I suppose".

*Dee, W. Mids.*

## BUM IN THE SUN

After 20 years of marriage my wife Mary and I packed the kids off to my parents and booked a villa in Spain.

On the flight over, Mary told me she intended to fulfil all her unrequited fantasies while we were away. She was obviously serious too because she'd left all her underwear at home.

I slipped my hand up her short skirt, and felt her wet and bare pussy. I stroked it no more than three times and Mary let out a little groan and soaked my fingers.

This was a 42-year-old woman who'd never done anything sexy outside the house before.

We arrived at the villa, unpacked and went for a skinny dip in our private pool. I sat on the edge of the pool and Mary took my cock in her mouth.

She deep-throated me like a pro and, for the first time ever, I shot my load into her mouth.

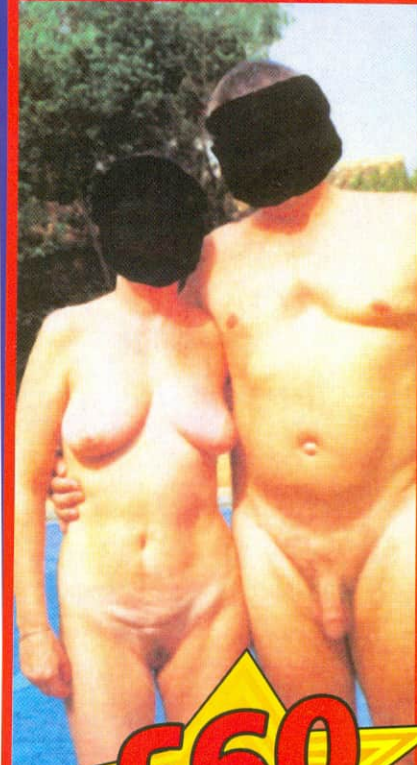

**She gagged at first then swallowed the lot.**

That night I was between her legs eating her pussy and fingering her pussy. She asked me to finger and lick her bum so I did this until she had the noisiest orgasm ever and she flooded my mouth with love juice.

**I came up for air, she turned over, spread her cheeks and demanded "Fuck my arse".**

She moaned and groaned and demanded I fucked her as hard as I could.

She'd never asked for anything like this before

**£60**

**Mary, Somerset**

and I was so turned on that I only lasted a couple of minutes, pulling out and shooting my load over her gaping arse.

The week continued with her acting out every fantasy she could think of and on the last night she even flashed the young waiter.

She acted like a right little slut, and on the way back to the villa I said she was lucky the waiter did not make a pay for her misbehaving.

She said she wished he had, she would have not disappointed him. This is from someone who has never been unfaithful in her life.

I have already decided we're going back next year

and Mary informs me if I agree she will act out any fantasies your readers might suggest. I can't wait to read them.

*Steve, Somerset. ☺*
